LINDSAY - For Eleni Helen Mallinos, the City of Kawartha Lakes reminds her of her hometown village in Greece.

These inspirations can be seen in the art she will be displaying at the Milner Gallery in Bobcaygeon from Aug. 1 to 30.

Mallinos

Mallinos is a part-time resident of the city, planning to retire to her home in the village.

This is the first time she will be exhibiting her work, including paintings, which have received rave reviews and can be found in homes and offices on two continents.

Mallinos said she gets

inspiration from all aspects of the city's landscapes.

"The greenery is amazing," Mallinos said. "In the winter, it's a veritable winter wonderland."

There will be a reception on Saturday, Aug. 7 from 3 to 6 p.m.

MP Barry Devolin, MPP Rick Johnson, Mayor Ric McGee and Ward 13 Coun. Pat Warren have all been invited, organizers stated.

Mallinos said she is ready for people to view her work.

"I hope people will feel the same way about it as I do," she said.
